

The Original Computer Camp

SUMMER EMPLOYMENT OPPORTUNITIES

The Original Computer Camp, Inc. is a private, co-educational children's summer camp which operates at seven locations: Santa Barbara, California; Lake Tahoe, Nevada; Sequoia, California; Steamboat Springs, Colorado; Lake Winnepesaukee, New Hampshire; Hawaii; and England. The aim of Computer Camp is to provide an agreeable mix of computer education and traditional camp pursuits in a healthy out-of-doors environment.

DATES OF

EMPLOYMENT: June 12th through August 26th, 1983 with 4 to 10 week sessions. Term of employment will vary with location.

POSITIONS

AVAILABLE: COUNSELORS/ACTIVITY LEADERS

Duties include live-in cabin responsibility for approximately 8-10 children. Campers range in age from 7 to 15 and are cabined by age and gender. Counselors are responsible for the health, happiness, and general welfare of the children. Maturity, good judgement, and a sincere interest in children are required. Counselors must be skilled in some of the outdoor activities offered as part of the camp program. These include: arts & crafts, boating, board games, hiking, ping-pong, soccer, swimming (WSI & ALS), tennis, team sports, and volleyball. Counselors will share the responsibility for planning, coordinating and supervising these non-computer activities. Computer experience is not a requirement for counseling positions.

COMPUTER INSTRUCTORS

Duties include designing and teaching the computer curriculum to the campers. Classes range from beginning to advanced. Instructors must have a solid computer background, preferably with some teaching experience. Instructors need not be versed in each of the instruction areas but must be proficient in some areas. Please detail your areas of expertise on the employment application. Instructors will also assist in the counseling/supervision of the campers in the evenings and as needed.
